**ASCP President’s Award**

Established in 2009, the President’s Award honors outstanding ASCP members who have gone above and beyond their duties and performed exceptional service for the profession.

Melissa P. Upton, MD, MASCP

---

**ASCP Masterships**

The ASCP Mastership designation recognizes distinguished members (both pathologists and laboratory professionals) who have made significant contributions to the field of pathology and laboratory medicine and to ASCP. This exclusive title is accorded to an elite few and is recognized as a noteworthy sign of distinction in the pathology and laboratory fields.

ASCP Choosing Wisely Champions
The Choosing Wisely Champions recognizes pathologists, laboratory professionals, individual clinicians, and clinical teams for their contributions to the campaign; inspires others seeking to implement Choosing Wisely in their own practice; provides society partners an opportunity to celebrate members’ contributions to the campaign; demonstrates how the campaign is driving change in health care; and helps individuals learn from one another by highlighting exemplars. Learn more about the 2021 Choosing Wisely Champions and the Choosing Wisely Champions program here.
